

PRESIDENT OUTLINES EFFECTS OF CAREY BUDGET; SCHEDULES FRIDAY MEETING

At a meeting of all College personnel on Tuesday, President Joseph Burke outlined Governor Hugh Carey's proposed budget for the College — a budget which leaves the College \$666,000 short of the funds it would need to maintain the current level of operations during the 1976-77 fiscal year which begins April 1. Base level reductions in the budget, reductions mandated by the Governor, and the inability of the budget to finance complete staffing at the College will result in the loss of 55 funded positions. Admission of new students will be reduced by more than twelve per cent as compared to admissions in the fall of 1975.

Dr. Burke called the requested allocation "a survival budget" and said its effects on the campus and community would be "horrendous." "Any further cuts [such as cuts by the State Legislature, or mandated spending ceilings] would jeopardize the mission of this campus as a comprehensive arts and science college," he said.

The budget allocation for the College does not include funds for the campus school. The Governor has taken money for campus schools out of local campus budgets and placed them in the Central Office of the University. The future of campus schools is now being considered by State University officials.

Dr. Burke explained Tuesday that the proposed cuts on the Plattsburgh campus may be allocated according to the following percentages: teaching faculty, 2 per cent; academic support services, 11.7 per cent; student affairs, 11.8 per cent; maintenance and operations, 9 per cent; administration, 8 per cent. **He has announced plans to detail those personnel cuts at a meeting of all College personnel Friday at 4:00 p.m. in Room 200 of the Yokum Communications Lecture Hall.** Responding to a question posed during a Tuesday press conference, Dr. Burke said that the real effects of the Governor's proposed budget would not be felt on campus until the beginning of the 1976-77 academic year.

THE BUDGET'S EFFECT ON 1976 ADMISSIONS

Included in Governor Carey's budget for the College at Plattsburgh is the stipulation that it may enroll only 925 freshmen and 625 transfers in the fall of 1976. The mandated total of only 1,550 new students is 227 fewer than were admitted in the fall of 1975 (12%), and 569 fewer than were admitted in the fall of 1974 (26%). That cut comes at a time when applications for admission are at their highest point in the history of the College. As of Monday, the admissions office had received 28 per cent more applications for admission than it had during a comparable period a year ago. If the rate of application continues, or decreases only slightly, the College will enroll only 15 to 20 per cent of the persons who apply for fall '76 admission.

\$222,000 DEFICIENCY BUDGET — AND THEN SOME — NEEDED FOR FUEL BILL

Plattsburgh's \$222,000 share of the Governor's recommended State deficiency budget for the 1975-76 fiscal year is earmarked for the College fuel bill. State appropriations for fuel on this campus have increased only minimally in recent years, and the stringent fuel economies imposed here have not produced enough savings to offset the increases encountered from inflation in oil prices and the opening of new buildings. An extremely cold winter this year has complicated the problem, and in all probability the College will be forced to seek funds beyond the Governor's recommended deficiency allocation to pay its bill.

COLLEGE FOUNDATION'S ANNUAL MEETING SLATED MONDAY

Consideration of proposed changes in the By-laws, appointment of new members, and appointment and election of the Board of Directors are key items on the agenda of the annual meeting of the Plattsburgh College Foundation, scheduled Tuesday at the Valcour Educational Conference Center. The Foundation members will also hear reports on the organization's financial condition and performance during 1975.

Dr. Joseph Burke has chosen students Thomas Crosby and Bonnie Williams and faculty and administrators Thomas Aceto, Herman Doh, Ralph Grover, Mrs. Nilah Hausdorf, and Bernard Seawell as his appointments to the Foundation membership from the campus. Crosby and Grover are to be Dr. Burke's appointments to the Foundation Board of Directors.

Included in the By-law changes to be considered by the membership are proposals to increase the membership of the Board of Directors to 18 persons and create the position of third vice president of the Foundation.

COLLEGE INFORMATION CHANNEL IN OPERATION

Instructional resources has introduced campus information broadcasts on Channel 4 of the College cable television network. Coordinated by Noel de la Motte, the information channel will operate during normal business hours and carry news of campus events and developments, as well as selections from the Instructional Resources video library and other sources. Television receivers have been placed in high traffic areas at various campus buildings to make the service readily available. Any set attached to the cable system can receive the signal. Contact Ms. del la Motte at 2111 to have your announcements included in the programming.

STUDY HOURS BEGIN AT COLLEGE CENTER CAFETERIA

With the opening of the new snack bar in the College Center, the College Center cafeteria can now be reserved for evening study hours. Study hours in the cafeteria will begin Monday and are scheduled weekdays from 8:00 p.m. until midnight.

CONTINUING EDUCATION COUNSELING AVAILABLE WEDNESDAY EVENINGS

Continuing Education students may avail themselves of a new counseling service to be offered Wednesday evenings from 6:00 until 9:00 p.m. during the spring semester. Ray LaRocque, coordinator of educational conferences, evening and summer programs, will provide the counseling for all currently enrolled or prospective students in Continuing Education. His office is located in Hawkins Hall Room 113.

FACULTY ART EXHIBITION OPENS SUNDAY

Works by nine members of the art faculty will be exhibited January 25 through February 27 at the Gallery of the Myers Fine Arts Building. An opening reception for the artists is scheduled this Sunday (January 25) beginning at 3:00 p.m. in the Gallery. The Gallery is open Tuesdays, Wednesdays and Fridays, from 10:00 a.m. until 5:00 p.m.; Thursdays from 10:00 a.m. until 9:00 p.m.; and Sundays from 2:00 until 5:00 p.m.

Included in the exhibition will be sculpture, paintings, drawings, photographs, photosilkscreens, ceramics, and fabric works. The exhibitors are Edgar G. Barton, Bill Crosby, Joseph L. Hennessy, Janet Higgins, Tom Holland, Glen Hoover, Carla Rae Johnson, Richard M. Mikkelsen, Jr., and Roger Williams.

ARTIST SERIES OPENS SEMESTER WITH CONTINENTAL THEATRE COMPANY

Two performances Saturday by the Continental Theatre Company open the spring semester calendar for Artist Series. At 2:00 p.m. the Company will present Arthur Kopit's serious dramatic fantasy, *Indians*. At 8:00 p.m. the curtain goes up on *Dames at Sea*, a Broadway musical spoof on the 1930's Hollywood extravaganzas. Both plays will be performed in the Large Auditorium of Hawkins Hall. Tickets are free for members of the Student Association and \$2.50 for the general public.

PLATTSBURGH STUDENT PRINTS TO HANG AT UNIVERSITY OF QUEBEC

Lithographs, woodcuts and etchings created by eighteen students from the College at Plattsburgh form the gallery exhibition "Collected Impressions" which will hang February 5 through February 22 at the University of Quebec in Montreal. This first travelling exhibition of student works to leave the College in recent years is the byproduct of a friendship between Glen Hoover, printmaker on the Plattsburgh faculty, and Mel Boyaner, lithographer at the University of Quebec. Last spring, the two began discussing the possibility for an exchange of exhibits of works of art created by students at their respective schools. "Collected Impressions" represents the first half of that exchange. An exhibit of works by students from the University of Quebec is planned on the Plattsburgh in March and April.

Persons interested in viewing the exhibition are invited to do so, free of charge, at the University of Quebec Gallery, 122 West Sherbrooke in Montreal. The public is invited to a reception for the artists, beginning at 7:00 p.m., January 22 at the Gallery.

FORTY-TWO PERSONS TO LOSE JOBS IN BUDGET-MANDATED REDUCTIONS

Governor Carey's proposed budget for the College will mean that forty-two full-time and part-time persons presently employed here will not be on the campus payroll next fall. The forty-two persons who will lose their jobs hold twenty-seven of the fifty-five, funded, full-time equivalent positions which the College must cut as a result of reduced allocations in the Governor's proposed budget. The balance of the reduction in positions will be achieved by sacrificing 28 positions which the College, anticipating a budget cut, refused to fill when they became vacant in 1975. The reduction of fifty-five full-time equivalent positions will provide \$514,000 of the \$666,000 which the College must save to operate within budget reductions. The remaining \$152,000 will be saved through economy in reducible non-personnel areas. The cuts represent 5.4% of the personal service budget, and a 7.2% reduction in reducible non-personnel areas.

The contingency plan which the College is submitting to meet the Governor's budget recommendation was developed during the last month by President Joseph Burke in consultation with a committee composed of students, faculty and staff. "We were faced with difficult decisions in preparing this plan. The guiding principle was to maintain the diversity and integrity of the academic program at this College, at all costs," said Dr. Burke. "I am sure all of the members of that committee would concede the cost has been high, for it will mean the reduction of a number of important services or activities.

"The individuals who will lose their positions are highly qualified. It is a sad task to tell such persons that, 'though we need you, we can no longer pay you.' They will be sorely missed."

The fifty-five positions which will be lost in the mandated reduction include 2% of the teaching faculty, 6 full-time equivalent positions; 8.8% of the student affairs' staff, 6 FTE positions; 9.2% of the administrative staff, 8 FTE positions; 9.4% of the maintenance and operational staff, 20 FTE positions; and 11.7% of the academic support staff, 15 FTE positions. The reductions are exclusive of the campus school, the future of which will be decided by the Board of Trustees of the State University. The campus school presently has a budget of \$392,000 and a staff of 27. The reduction also does not include the decrease from 12 to 10-month contracts, mandated in the Governor's budget, which could affect as many as 47 staff members and result in a loss of approximately \$80,000.

FOUNDATION'S 1975 RECEIPTS TOTAL MORE THAN \$70,000

Continuing a record of growth which has multiplied annual giving for scholarship dollars nearly seven times since 1970, the Plattsburgh College Foundation this year, for the first time, received more than \$70,000 in gifts for the College from individuals and businesses.

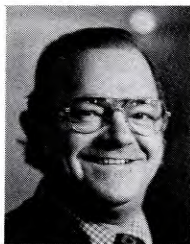

At the Foundation's annual meeting Tuesday night, Don Garrant, assistant to the president for college relations who serves as executive director of the Foundation, announced that contributions to the Foundation during 1975 totaled \$71,588.50. Since 1970 the Foundation's fund raising program has netted \$259,571.14.

Malcolm R. Lavery, chairman of the Foundation's student aid committee, also announced at the meeting that, during 1975, 328 students shared \$76,030.75 in gifts. This was 96 more students than received grants in 1974. During the past five years, 907 students have received aid from the Foundation, totaling \$210,311.20.

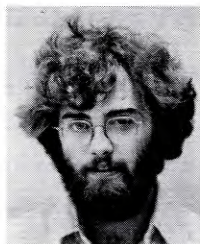

Fred P. Merrihew was re-elected president of the Foundation and Garrant was re-appointed as executive director. New members of the board of directors are Thomas Crosby, president of the Student Association; Mrs. Margaret Kennedy and Senator Ronald B. Stafford. A third vice presidency of the Foundation was created. Elected to the post was Plattsburgh attorney James E. Keable.

FACULTY SENATE RESOLUTION DEPLORES GOVERNOR'S BUDGET

Tuesday, at its regular January meeting, the Faculty Senate adopted the following resolution deploring Governor Hugh Carey's 1976-77 executive budget, and its effects on higher education in New York State:

RESOLVED, that the Faculty Senate of the State University of New York College of Arts and Science at Plattsburgh protests the requirement in Governor Carey's proposed 1976-77 budget that the budget of the State University of New York be severely cut, thereby creating hardships for both students and staff; and

BE IT FURTHER RESOLVED, that we deplore the Governor's approach to budget cutting as it impacts upon the students and

professional staff of SUNY by increasing student/faculty ratios, making reductions of staff and support services, increasing tuition, and by terminating employees on each campus rather than allowing the State University of New York the flexibility to effect budget cuts in a variety of ways; and

BE IT FURTHER RESOLVED, that the Faculty Senate calls on the Legislature of the State of New York to restore needed funds to the SUNY budget, in the interest of continuing the delivery of high-quality public education to the people of New York State; and

BE IT FURTHER RESOLVED, that copies of this resolution be published appropriately and sent to Governor Carey, Chancellor Boyer, members of the Legislature, and other interested parties.

The Senate also discussed the proposed amendments to the Faculty Bylaws. To allow time for completion of that discussion, the meeting was recessed until next Tuesday (February 3) at 4:10 p.m. in the Ballroom of the College Center.

PLATTSBURGH'S PROGRAMS, REPUTATION, LOCATION ARE LEADING ATTRACTIONS

A survey of 741 students who entered the College for the first time in the fall of 1975 shows that Plattsburgh State's academic programs, location, and academic reputation are the factors having the greatest influence on the decisions of new students to enroll at the College. Fifty-four per cent of the 473 freshmen and 268 transfers who responded to the survey said their decisions were influenced by the fact that Plattsburgh offered the academic programs they wanted most. Another 29 per cent were "mildly influenced" by the availability of attractive academic programs. Forty-eight per cent were influenced (and another 31 per cent mildly influenced) by the College's location. Thirty-seven per cent of the respondents were influenced (and 44 per cent mildly influenced) by Plattsburgh State's academic reputation.

The greatest share of the College's new student population last fall came from Long Island (25 per cent) and the Capitol District (19 per cent). Eight per cent of the new student population came from Clinton, Essex and Franklin Counties.

The survey was conducted, and the results compiled, by the Office of Analytical Studies and Long Range Planning. Complete copies of the survey report may be reviewed in that office, which is located on the eighth floor of the Kehoe Administration Building.

PLANETARIUM FEATURES 'WINTER SKIES' FRIDAY

Friday evening's show at the Hudson Hall Planetarium will provide an introduction to the winter skies of 1976. The show, "Winter Skies," is scheduled to begin at 7:30 and 8:30 p.m., and free tickets are available at the main office of Hudson Hall during regular business hours. Included in the show will be a visual preview of several astronomical phenomena, including eclipses, comets, and meteor showers, which should be visible in the skies over the North Country during the first half of 1976.

'EARLY BIRD' SKATING CANCELLED SUNDAYS

The College has cancelled its "Early Bird" skating session from 7:00 until 8:30 a.m., Sundays.

STATE EDUCATION DEPARTMENT SCIENCE REPRESENTATIVE HERE TONIGHT

Interested persons are invited to the Comprehensive Educational Center tonight to hear a representative of the State Education Department discuss the status of science programs at the nursery school through ninth grade levels in New York State. Douglas Reynolds, an associate in science education at the State Education Department, will be on campus to discuss the status of science education this evening (January 29) from 7:00 until 10:00 as part of a course on "New Dimensions in Science Teaching, N-9."

His presentation is scheduled for Room 319 of the Comprehensive Educational Center.

Reynolds is a Plattsburgh State graduate and former Malone teacher. He is the past president of the National Science Supervisors Association.

CORRECTIONS

We regret the printing of some incorrect information in the last issue of *Weekly*. "This Week's Calendar" listed a meeting of all college personnel for 4:00 p.m., Friday, January 30. That meeting was held January 23. And we were in error again when we said an opening reception for an exhibit of prints by Plattsburgh students was scheduled January 22 at the University of Quebec. The reception is scheduled February 5.

SEVEN FACULTY WIN RESEARCH FOUNDATION FELLOWSHIPS, GRANTS

Seven members of the faculty will have their research efforts supported during the coming year by a total of \$17,329 in research fellowships and grants-in-aid from the annual University Awards program sponsored by the State University Research Foundation.

Plattsburgh faculty who received \$2,000 research fellowships from this year's competition were **Dr. Roderick Logan** and **Dr. Paul Szydluk**. Logan, an associate professor of geography, is involved in a study titled "Partitioning the Canada-United States Continental Shelves." Szydluk, professor of physics, is studying "Exchange-coupled Paramagnets in Mixed Metal Insulators."

Five Plattsburgh faculty have earned combination Research Fellowships and Grants-in-aid. **Dr. Suzann Buckley**, assistant professor of history, received a total \$2,445 for her study of "The Establishment of the Canadian Department of Health." **Dr. Roger L. Heintz**, assistant professor of chemistry, received total awards of \$3,350 for his study titled "The GTP Binding Sites of Reticulocyte EF-2 and Ribosomes." **Glen E. Hoover**, assistant professor of art, received \$1,902 in support of his "Lithographic Statement of Adirondack Memorabilia." **Dr. Calvin Veltman**, assistant professor of sociology, received a fellowship and grant totaling \$3,232 for his study of "Trends in Linguistic Assimilation in Quebec." **Dr. Douglas Williams**, assistant professor at the Institute of Man and Environment, received \$2,400 for his study of "Energy Production from Bioconversion of Animal Waste."

ADMISSIONS CLOSED FOR NURSING APPLICANTS; 1,200 APPLICATIONS EXPECTED

With more than 1,000 applications in hand, and approximately 200 more applications expected from the State University Admissions Processing Center, the College admissions office this week closed admissions to the nursing program. Director of Admissions Dave Truax explained that the SUNY Processing Center is two to three weeks behind in forwarding applications to local campuses, and said admissions here will be kept open only long enough to allow the Processing Center to clear its current backlog. Only 100 vacancies exist in the nursing program for the Fall '76 semester (80 freshmen and 20 transfers), forcing the admissions office to be extremely selective in admitting students to the program. Truax predicts that applicants will need high school averages of 89 or 90 to qualify for admission. He adds that Plattsburgh, with its established reputation in nursing, tends to be a first choice among many of the applicants for nursing programs at SUNY institutions.

FACULTY SENATE CONTINUES DISCUSSION OF BYLAWS

The members of the Faculty Senate convened Tuesday for continuation of their discussion of proposed revisions to the Faculty Bylaws. Further discussion of the proposed revisions, prior to referral for a vote of the entire Faculty, is scheduled during next Tuesday's regular meeting which begins at 4:10 p.m. in the College Center Ballroom.

LESS IS MORE

Under the headline "Less is More," The Association of Colleges and Universities of New York State included this glum observation in its January 22 newsletter:

"For several decades New Yorkers became accustomed, with political encouragement, to make frequent trips to the well for public support of whatever purposes had captured thier fancy. The facts of economic reality have reduced the well to a trickle and have discouraged even the most sanguine politician from leading any more conducted tours to the fiscal fount. For 1976, if one correctly perceives the Governor's annual message to the Legislature at the opening on January 7, there is to be support for little that is new, and discontinuance of much that is old. In this condition the legislators, faced with summer campaigns for reelection in November, must come up with a variety of minor accomplishments at the least cost to convince the electorate that indeed, less is more. It should be much like the beating with switches that follows the sauna!"

CANADIAN CONSULATE DONATES BOOKS TO COLLEGE

The Canadian Consulate General's Office has informed Director of International Studies Daniel Socolow that it will donate 200 Canadian books (in French) to the Plattsburgh College Library. This latest donation brings to 800 the total number of titles which the Canadian Government has presented to the College during the past two years.

COLLEGE LIBRARY TO REMAIN OPEN DURING LONG WEEKEND HOLIDAY

Feinberg Library will remain open during the Washington/Lincoln Birthday College recess, February 12 through 16. The Library will be open from 8:00 a.m. until 5:00 p.m. on February 12 and 13; from 1:00 until 5:00 p.m. on February 14 and 15; and from 7:45 a.m. until 10:30 p.m. on February 16.

JOSE LIMON DANCE COMPANY IN RESIDENCE THIS WEEK

The Jose Limon Dance Company arrives in Plattsburgh today for a three-day residency sponsored by Artist Series. The Company's complete schedule is included in "This Week's Calendar." All classes, demonstrations and performances are open to the public, and Friday evening's concert is the only event to which admission will be charged (S.A. free, general public \$2.50).

COLLEGE CENTER LISTS EVENTS FOR FEBRUARY

A pool tournament, a flea market and crafts fair, and a first aid course are on the February calendar of events at the College Center. The pool tournament (eight ball, singles) begins February 23 and is open to the first 32 students who register. A mandatory organizational meeting will be held February 20 in the College Center Conference Room beginning at 4:00 p.m.

Faculty, staff and students have until February 27 to register their goods for sale at a flea market, arts and crafts fair planned

February 28 in the College Center Ballroom. Registration forms are available at the College Center desk.

A Red Cross standard first aid and personal safety course will be offered Thursday evenings, beginning February 26, for the first fifteen students who register at the main desk of the College Center. There is no charge for the course, and books and materials will be provided.

PLANETARIUM FEATURES FEBRUARY EPHEMERIS

A new feature at the College planetarium — monthly ephemerides — will begin this Friday. Ephemerides are astronomical almanacs which show the locations of the principle constellations, planets, and other objects of interest in the skies. Dr. Glenn Myer will program the Hudson Hall Planetarium Friday evening to illustrate the ephemeris for February. The Friday show will begin at 7:30 p.m., and free tickets are available during regular business hours at the main office of Hudson Hall on Beekman Street.

LECTURE SERIES FEATURES PETER HORNBY

"Understanding the Language of Young Children: A Progress Report in Developmental Linguistics," will be the topic of tonight's presentation in the SUNY Plattsburgh Lecture Series.

Dr. Peter Hornby, faculty member in the psychology department, will deliver the lecture, beginning at 7:30 p.m. in Room 106 of Hudson Hall on the Plattsburgh campus. Admission is free of charge, and all interested area persons are invited to attend.

RAPE PREVENTION SUBJECT OF NON-CREDIT COURSE

An approved karate instructor and a sergeant from the Plattsburgh Police Department will offer a four-hour, non credit course in Rape Prevention and Self Defense at the College beginning February 9. Karate instructor Tom Frobel, and Sgt. James Fleury from the local police department, will teach the course in two-hour classes February 9 and 11 as one of the spring non-credit course offerings from the College's Office of General and Continuing Education.

With films, lectures and demonstrations, Fleury and Frobel will teach women enrolled in the course how to protect themselves and earn a few seconds to make an escape in the event of an attack. Included will be a question and answer session with Sgt. Fleury to identify weapons which women may legally carry and use. Persons interested in registering for the course may call the Office of General and Continuing Education (564-2050) for more information. If demand warrants, additional sections of the class may be offered.

LONG WEEKEND HOLIDAY BEGINS WEDNESDAY NIGHT

A long holiday weekend in celebration of Lincoln's and Washington's Birthdays will begin when classes end Wednesday night at 10:00. Residence halls close Thursday at 1:00 p.m. and reopen February 16 at 9:00 a.m. Classes resume at 8:00 a.m. February 17. *Weekly* will resume publication February 19.

CRUCIAL SUNYAC BASKETBALL CONTEST HIGHLIGHTS HOME ATHLETIC CALENDAR

Plattsburgh State's Cardinal basketball team, currently sitting atop the standings in the State University of New York Athletic Conference with three wins and no losses, (6, 10 overall) puts its record on the line at Oswego and Cortland this weekend, then returns home February 14 to take on Geneseo State in an 8:00 p.m. contest at Memorial Hall. This weekend the varsity track team will meet the University of Vermont indoors at the Field House Saturday at 1:00, and the varsity hockey team will be out to avenge an earlier loss to Union College when they face-off against the Ned Harkness-coached squad Saturday night beginning at 7:30 p.m. at the Field House. After the long weekend, the swim team will entertain St. Lawrence University February 17 at 7:00 p.m. in the Memorial Hall natatorium, and the hockey team takes on Norwich University the same evening, beginning at 7:30, at the Field House.

STATE UNIVERSITY PROPOSES ELIMINATION OF CAMPUS SCHOOLS

The Governor's proposed reduction of \$1,200,000 from campus school budgets has led the Executive Vice Chancellor to recommend to SUNY Trustees the closing of all eight campus schools in the University.

SUNY Executive Vice Chancellor James Kelly told a Joint Legislative Commission on Finance during a formal budget hearing yesterday that the University is proposing elimination of all eight of its campus schools at the end of this academic year. The University proposal will be subject to approval by SUNY Trustees and the State Division of the Budget.

The campus school at Plattsburgh enrolls 278 students and employs 27 faculty and staff. Its annual budget is \$393,400.

"The College and the community will lose a valuable educational resource if our campus school is closed," said College President Joseph C. Burke. "It is a sad situation when a State's weakened financial position can force the closing of a vital center for educational research and demonstration. The effects of this closing will be felt by students in New York State for years to come.

"It is sad that this College will lose the assistance of dedicated and innovative teachers in our Educational Research Demonstration Center should it be closed. at the end of this academic year," Dr. Burke commented.

ENROLLMENTS INCREASE STATEWIDE

State Commissioner of Education Ewald B. Nyquist reports that enrollments in public and private colleges and universities in the State reached an all-time high this academic year. Nearly 60 per cent of the seniors who graduated from high schools in New York State last spring entered college in the fall, swelling freshmen enrollments by nearly 3,000 more new students than entered in the fall of 1974. Counting full- and part-time graduate and undergraduate enrollments in all of the colleges and universities in the State, enrollment in the fall of '75 had increased 5.5 per cent over 1974.

SENATE REFERS REVISED BYLAWS TO FACULTY

The Faculty Senate completed its discussion of revisions to the Faculty Bylaws February 10 and forwarded the proposed revisions to the Voting Faculty. The revisions will be explained during a meeting of the Faculty which has been scheduled March 4 at 4:10 p.m. in Room 200 of the Yokum Communications Lecture Hall. If further extensive revisions are not proposed at that informational meeting, it is expected that the vote on the revisions will begin the following day.

The Senate has also authorized its Executive Committee to appoint an Ad Hoc Committee on the College Calendar with the charge to review the current calendar and make appropriate recommendations to the Senate regarding the College calendar for 1977-78.

PRESIDENT TO EXPLAIN COLLEGE'S ECONOMIC IMPACT TO CHAMBER OF COMMERCE

The February meeting of the Board of Directors of the Plattsburgh and Clinton County Chamber of Commerce is scheduled next Tuesday in the Board Room of the College's Kehoe Administration Building. Featured speaker at the meeting will be College President Joseph Burke, who plans to unveil the results of a recently completed study of the College's economic impact on the North Country.

PURCHASING DEPARTMENT URGES REDUCED PAPER WASTE

Using the backs of obsolete forms and letters as scratch paper and note pads can save the College a considerable amount of money, according to Purchasing Agent Stanley Supinski. He urges departments with outdated forms and memoranda, printed on only one side, to either use the blank sides for scrap or deposit the forms in recycling baskets for sorting. The art department, the Student Association and the Institute for Man and Environment have all expressed a willingness to reuse paper from other departments. Complete participation in the program could result in substantial savings from the College's \$40,000 annual expenditure for paper, Supinski predicts.

WINTER WEEKEND BEGINS WITH WEDNESDAY HOEDOWN

The Action String Band is the featured entertainment for a hoedown Wednesday evening (February 25) from 9:00 until 11:00 — the first event scheduled for Winter Weekend 1976. The weekend schedule, patterned after a "Wild and Woolly West" theme, includes a talent show, snow sculpture contest, semi-formal dance, beer blast, coffeehouse on ice, and hockey tournament. Complete details will appear in the next issue of *Weekly*. Organizations wishing to enter the snow sculpture contest have until Friday afternoon to register. Forms are available at the main desk in the College Center.

CAMPUS HOUSING AT 94% OCCUPANCY

Campus residence halls are occupied to 94 per cent of their capacity for the spring semester, according to Director of Housing William Laundry. Laundry explained that the current occupancy level is equivalent to the level achieved during the 1975 spring semester, and above the "break even" point which SUNY strives to maintain in University residence halls. Having some vacant beds (158, to be exact) allows the housing office a needed flexibility to deal with problems which may arise in dormitories, Laundry said, and relieves the overcrowding which occurred when residence halls were occupied beyond their capacity in the fall.

SMOKING WITHDRAWAL CLINIC BEGINS MONDAY

A free smoking withdrawal clinic will begin Monday for the first 60 students who register. Registration may be accomplished in the lobby of the College Center Friday (Feb. 20) and Monday. The format for the clinic calls for tests of pulmonary function, and nine peer counseling sessions scheduled in the evenings over a three-week period.

BARBERSHOPPERS' CONCERT TO BENEFIT CAMPUS CLINIC

The Cumberland Bay Chorus will perform a benefit concert Saturday evening (Feb. 21) with proceeds to be used for equipment and materials for the College's speech and hearing clinic. Sponsored by Eta Zeta, the Plattsburgh chapter of the National Student Speech and Hearing Association, the Saturday evening concert will begin at 8:00 in the Large Auditorium of Hawkins Hall. Tickets are priced at \$2.00 for adults and \$1.00 for students, and may be purchased at the main desk in the College Center, or from any student in the speech and hearing program. The Cumberland Bay Chorus is the Plattsburgh Chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America (SPEBQSA), the national motto of which is "We sing that they shall speak."

PLANETARIUM OFFERS TRIPS TO ARCTIC AND TROPICS

"The Land of the Midnight Sun" is the title of Friday's (Feb. 20) planetarium shows in Hudson Hall. In shows beginning at 7:30 and 8:30 p.m., planetarium guests will be taken on simulated trips from the polar north to the tropic jungles to view the sky at night. Free tickets to the shows may be obtained in the main office of Hudson Hall during regular business hours.

NTA AUDITIONING FOR SIX ONE-ACT PLAYS

The New Theatre Association will begin auditions next week for six one-act plays to be performed during the Spring Arts Festival in May. Auditions are scheduled from 2:30 until 5:30 p.m., February 23-26, for Edward Albee's *The Zoo Story*, Israel Horowitz's *Dr. Hero*, Alice Childress' *Wine in the Wilderness*, Tennessee Williams' *The Lady of Larkspur Lotion*, van Itallie's *Interview*, and Leonard Melfi's *Bird Bath*. Report to the box office in the Fine Arts Building for locations of the auditions.

SATURDAY ATHLETIC SCHEDULE FEATURES BASKETBALL AND HOCKEY

A SUNYAC basketball contest and a varsity hockey game highlight the weekend's athletic calendar. The varsity basketball team, 9-11 overall and challenging conference leader Oneonta with its 5-1 record in SUNY play, faces New Paltz State Saturday at 3:00 p.m. in Memorial Hall. Bois-de-Boulouge College will visit the Plattsburgh Field House for a varsity hockey game against the Cardinals Saturday at 7:30 p.m.

On Tuesday (Feb. 24), the varsity swimmers face St. Michael's College of Vermont in a 7:00 p.m. meet at Memorial Hall, and the Cardinal basketball team will take on Potsdam State in a contest scheduled to begin across the hall at 8:00.

SUNDAY RECITAL RESCHEDULED

A faculty recital by Robert Frank, originally scheduled Sunday evening in the Hartman Theatre, has been postponed until May 18.

THE ALIENATION CRISIS TOPIC FOR THURSDAY LECTURE

Dr. David Johnson, professor of educational psychology from the University of Minnesota, will visit campus next Thursday to share his research findings on the crisis of alienation which he feels is facing society. His talk, "A Family of Strangers: The Alienation Crisis," will begin at 8:00 p.m. in the Campus School cafeteria, and is open to all interested persons.

TRUSTEE RESOLUTION CALLS FOR DISCONTINUATION OF CAMPUS SCHOOLS

Trustees of the State University yesterday approved a resolution calling for discontinuation of SUNY's eight campus schools, where feasible, by August 31, 1976, and in no case later than August 31, 1977. The Trustees are said to have acted reluctantly. Their resolution notes that State finances for campus schools have been withdrawn from individual campuses for three consecutive years, and describes the reduced aggregate sum granted from campus schools in the 1976-77 Executive Budget as a signal of an apparent shift in State policy against the campus school program. Proposed State allocations provide insufficient support for the stabilization and continued implementation of campus schools as outlined in a 1975 report, said the Trustees, and equity and effectiveness would not be served by preserving even one campus school at the expense of comparable teacher education programs at other campuses operating such centers.

The resolution authorizes the Chancellor to arrange for an orderly shift of campus school students to appropriate school districts, and to arrange for assignment of lump sum funds to affected campuses for the integration of functions supporting teacher education on the same basis as other instructional and research activities.

COLLEGE'S ECONOMIC IMPACT ON PLATTSBURGH AND CLINTON COUNTY — \$20,852,922

"One in every thirteen dollars spent in Clinton County during 1975 was spent by students, faculty and staff from the State University College at Plattsburgh," President Burke told the Board of Directors of the local Chamber of Commerce yesterday. Dr. Burke was quoting from a booklet titled *The College at Plattsburgh...in dollars and cents*, which describes the results of a survey of the College's economic impact on Plattsburgh and Clinton County. Staff from the office of analytical studies and long-range planning conducted the study and determined that the College, its people and their visitors spent a total of \$20,852,922 in the Plattsburgh and Clinton County marketplace during 1975.

Using a modest multiplier of 1.75 to figure the economic activity generated in the community by the recycling of College dollars, the researchers estimated that the total direct and indirect economic impact of the College on the city and county amounted to \$36,095,000 during 1975.

The study shows that faculty and staff of the College spent an average of \$10,513 each in Plattsburgh and Clinton County during 1975, while students averaged \$1,425 each in local purchases during the nine-month academic year.

Copies of the booklet describing the results of the economic impact survey are available on request from the office of college relations (564-2090).

CHAMBER OF COMMERCE RESOLUTION EXPRESSES DISPLEASURE WITH COLLEGE BUDGET REDUCTION

After hearing President Burke describe the College's impact on the local economy, the Board of Directors of the Plattsburgh and Clinton County Chamber of Commerce endorsed a resolution to the leaders of the State Legislature expressing its "displeasure over the recent reduction in the budget of the College at Plattsburgh."

"In terms of dollars and cents," said the resolution, "the loss of 72 positions and the fact that the College will be forced to accept 227 fewer new students next fall will mean that more than \$1-million will be lost to the economy of Plattsburgh and Clinton County." The Chamber resolution states, "...we cannot afford this loss," and continues, "...any further cuts in the College's budget would have disastrous effects on the economy of our city and county."

The resolution was sent to Assembly Speaker Stanley Steingut, Senate Majority Leader Warren Anderson and the chairmen of the Senate Finance and Assembly Ways and Means Committees.

CATALOG ARRIVES — PRINTED AT SUBSTANTIAL SAVINGS

Fifteen thousand copies of the 1976-77 Plattsburgh Undergraduate Catalog arrived from the printer's this week. By decreasing the number of photographs in the book and revising and condensing the manuscript and reviewing it carefully to prevent charges for author's alterations, the new catalog was achieved at a cost of nine cents per unit less than the 1974-75 edition, and \$4,200 under the \$15,000 budgeted for the publication. The combined cost of the new catalog and the 20,000 copies of the viewbook, *This is Plattsburgh*, printed earlier this year, is less than the money paid for 20,000 copies of the 1974-75 catalog.

'THE WILD WOOLLY WEST' — WINTER WEEKEND '76

Winter Weekend festivities continue tonight with a 7:30 Talent Round-Up in the Large Auditorium of Hawkins Hall. A beer blast and the first round of the Winter Weekend Hockey Tournament are scheduled tomorrow night. Saturday's events include judging of snow sculptures, an afternoon flea market sale of gifts and crafts in the College Center, winter sports competitions, a semi-formal dance in Memorial Hall, and finals of the hockey tournament at the Field House. Sunday's highlight is a coffeehouse on ice at the Field House. The full schedule for the "Wild and Woolly West" Weekend is included in "This Week's Calendar" in this issue.

UNITED FUND CITES EMPLOYEES AND STUDENTS FOR 'OUTSTANDING VOLUNTEER SERVICE'

Employees and students of the College at Plattsburgh have received an award from the Clinton County United Fund "...in recognition of outstanding volunteer service on behalf of the people of Clinton County." The 1976 United Fund Drive at the College reached 105 per cent of its \$14,000 goal, with faculty, staff and students contributing \$14,662.30 — nearly \$4,000 more than their total United Fund gift in 1975.

COLLEGE TO RECEIVE BICENTENNIAL FLAG AND SCROLL WEDNESDAY

President Burke will receive a scroll and flag from County Bicentennial Commission Co-chairman Edward Glavin at a Wednesday ceremony marking official designation of the College as a Bicentennial Campus. The ceremony will begin at 3:00 p.m. in the Cardinal Lounge of the College Center, and the presentation will be preceded by statements from Connie Pope of the College's North Country Historical Center and Student Association President Thomas Crosby. Ms. Pope will describe some of the history of the Champlain Valley during the American Revolution, and Crosby will speak on the meaning of the Bicentennial. All interested persons are invited to attend the presentation ceremony and the reception which will follow.

FEDERAL FUNDS WILL FINANCE OLYMPIC SECURITY

United Press International reported Tuesday that the State Division of Criminal Justice has granted the State Police more than \$355,000 in federal funds to finance 1976 Olympic security operations. The money will be used to finance the protection of Olympic athletes training at the College at Plattsburgh, and to finance the preparation of a security plan for the 1980 Winter Olympics in Lake Placid.

PLATTSBURGH POLICE INITIATE SELECTIVE SPEED ENFORCEMENT PROGRAM

Plattsburgh City Police have instituted an "extensive and selective" speed enforcement program with support from a grant given by the State Department of Traffic Safety. Chief of Police Herbert Carpenter explained that selective enforcement, using the department's three radar units (two mobile and one stationary), will be directed to areas where traffic incidents are highest. Carpenter warns that the Broad Street/Rugar Street area near the College is a prime target for selective enforcement.

ENVIRONMENTAL ACTION WORKSHOP THURSDAY

The campus environmental action group will sponsor a workshop Thursday (March 4) beginning at 7:00 p.m. in the Cardinal Lounge of the College Center. Admission is open to anyone. Scheduled speakers include New York Power Authority Chairman James Fitzpatrick (speaking on nuclear power), and faculty members Stockton Barnett (conservation of energy in home and business), Doug Williams and Fredrick Kissner (alternate energy sources).

CONFERENCE BASKETBALL CHAMPIONSHIP HIGHLIGHTS SPORTS SCHEDULE

The highlight of a busy home schedule of hockey and basketball contests this week will be the State Conference Championship basketball game Wednesday evening at 8:00 in Memorial Hall. Plattsburgh and Oneonta enter the game with identical SUNYAC records of 8-1. An automatic NCAA Division III Tourney bid will go to the winner. The Cards play Southampton College in a non-Conference game Saturday beginning at 8:00 at the Field House. Conference victories over New Paltz and Potsdam this week extended Plattsburgh's overall record to 12-11, and its win streak to six.

John Abbott College faces off against Champlain Regional Friday at 6:00 p.m. in the opening round of the Winter Weekend Hockey Tournament, followed by an 8:30 contest between Plattsburgh and Dawson College. Consolation round play begins at 1:00 Saturday afternoon, and the Friday night winners go after the championship Saturday at 3:30. Weekend recreational skating at the Field House will be cancelled because of the Tournament and the Sunday Coffeehouse on Ice.

S.A. UNDERTAKES INTENSIVE LETTER-WRITING CAMPAIGN

Plattsburgh students who have the urge to write their State senators and assemblymen with expressions of feeling about the effects which the Executive Budget has on State University may take advantage of SA-sponsored letter writing facilities. Booths equipped with writing supplies, a sample letter and a complete list of senators and assemblymen have been established in the College Center and in Clinton and Algonquin Dining Halls. The booths will be manned from 9:00 a.m. until 5:00 p.m. daily, through March 12. Student Senator Dave Campese, who organized the letter writing campaign with SA President Tom Crosby, told *Weekly* that the single greatest influence which students may hope to have on their legislators would be the result of an outpouring of personal letters.

REPORT DETAILS FACILITIES USE BY OUTSIDE GROUPS

Organizations outside the immediate campus community used College facilities on more than 1,200 occasions during 1975, according to a recent report from Facilities Planning Coordinator J. Derek Allan. The report includes sections enumerating use of general College facilities and use of the Field House. Sixty-three organizations used general College facilities on 798 occasions and for a total of 2,052 hours during 1975. Fifty-one outside groups took advantage of the Field House, using that facility 411 times during 1975 for a total of 785 hours. (The Field House was separated from other College facilities in the report because a fee is generally charged for use of that building, while other facilities are made available free of charge.)

Allan's report notes that facilities use by outside groups has declined somewhat from 1974, reflecting increased use of the facilities for College-related programs. He expects the trend to continue during 1976, and notes that new community facilities such as the Crete Center and the swimming pool at the Plattsburgh Middle School will reduce the outside demand on the College's resources. Among the 63 groups which used general facilities, and the 51 groups which scheduled events in the Field House, are such diverse organizations as the Audubon Society, the American Cancer Society, Planned Parenthood, various hockey leagues, and Trout Unlimited.

STUDENT SENATE ACT AIMED AT INCREASING FACULTY ATTENDANCE AT S.A. FUNCTIONS

Faculty and non-teaching professionals will soon have the opportunity to purchase cards entitling them to admittance to all Student Association sponsored events. Student Senate Bill 4 establishes a \$35 per semester fee for individual faculty members (\$55 per semester for faculty and spouse), payment of which will entitle the faculty member or non-teaching professional to attend all S.A. functions. Where admission fees are charged to those events, faculty members who have purchased the card will pay the reduced price normally paid by S.A. members. Faculty interested in purchasing the cards should call the S.A. Office (561-6020) for further details.

HINES — TITLE IX COORDINATOR — TO ADMINISTER CAMPUS SELF-EVALUATION

College Personnel Director Tom Hines has been given the responsibility of ensuring the College's compliance with Title IX of the Educational Amendments of 1972 (prohibiting discrimination because of sex). Hines will administer a federally mandated self-evaluation of the College's response to Title IX, and will receive any complaints alleging sex discrimination on campus. He will be assisted by a 14-member committee comprising students, faculty and staff. Members of that committee are Carol Allen, Leith Barðon, Colleen Foley, Donald Haight, Ann Hasting, John Harrison, Pat Harrison, Joseph Jastrab, Robert Kellett, Roderick Logan, Victor Ovalle, Lyman Pageau, Connie Pope, and Jerry Hollander.

WINTER ACCENT FEATURES BUDGET'S IMPACT

The Winter issue of *Accent: Plattsburgh State* will be in the campus and U.S. mails within days. The 12-page issue includes comprehensive coverage of the impact which the 1976-77 Executive Budget has on this College, as well as feature articles on a variety of Plattsburgh State people and events. Seven thousand copies of the publication are distributed among faculty, staff, parents of students and friends of the College.

S.A. WILL BUS STUDENTS, FACULTY TO MARCH 16 RALLY IN ALBANY

Student Association-sponsored buses will leave from Memorial Hall at 10:00 a.m. Tuesday (March 16) to transport students and faculty to a SUNY rally at the State Capitol. Student organizations at SUNY and CUNY affiliated institutions have organized the rally to protest the effects which the proposed Executive Budget may have on public higher education in the State. The rally will begin in Albany at 2:00 p.m.

Student Senator Dave Campese, who has made arrangements for the Plattsburgh buses, told *Weekly* that "students must begin speaking for themselves." Campese said that the increases in tuition, room and board which are predicted to result from a stringent State budget threaten to "turn SUNY into an institution for the privileged. Our contention is that education is a right, not a privilege," said Campese.

Students and faculty who attend the rally are asked to make their own placards. Campese also encourages those who attend the rally to plan to make personal visits to the offices of their State senators and assemblymen.

For further information about the Tuesday rally, call the Student Association Office at 561-6020.

SENATE APPROVES PROPOSAL FOR B.S. Ed. IN SPECIAL EDUCATION

A proposal for a B.S.Ed. degree program to train teachers of special education came an important step closer to fruition Tuesday when it received approval of the Faculty Senate. The proposal has already received preliminary approval from the State University and State Education Department, subject to final campus review.

Senate approval was also given to a faculty overdue policy proposed by the staff of Feinberg Library. The new policy calls for return of all materials at the end of each semester, and immediate recall of overdue materials requested by another patron or requested for reserve. Faculty would be billed for library materials charged to them which were lost or mutilated, and materials not returned according to the policy guidelines would be considered lost. The policy proposal is subject to approval by the President.

A Senate vote on a proposal to change policy regarding salaries for faculty in Summer Session was postponed indefinitely.

FOUNDATION'S GOAL — \$76,000 IN '76

Members of the Plattsburgh College Foundation have set themselves a goal of raising \$76,000 for student scholarships during this Bicentennial year. "The 1976 goal is \$21,000 higher than our goal for 1975," said Foundation President Fred P. Merrihew, "but there should be little doubt that this money is needed for scholarship funds. I have just seen a report from the financial aids office that 42 per cent of the College's undergraduates come from families with annual net taxable incomes under \$8,000. Three in every four Plattsburgh students come from families with annual net taxable family incomes under \$15,000."

ON-CAMPUS ACCOMMODATIONS AVAILABLE MAY 22 FOR PARENTS, GUESTS OF GRADUATING SENIORS

State University College at Plattsburgh • March 18, 1976

LEGISLATURE IMPOSES ADDITIONAL CUTS OF \$139,700, THREE POSITIONS

The College has been notified that it must absorb additional cuts of \$139,700 and three positions from its budget for 1976-77. Legislative committees have recommended a cut of \$94,000 from the College's budget for fuel during the coming fiscal year, and a \$45,700 cut from its budget for college-community relations. The legislative committees have mandated that cuts in the budget for college-community relations be achieved, at least in part, by the elimination of three of the six positions currently allocated to that function at Plattsburgh. Combined with the cuts proposed in Governor Hugh Carey's Executive Budget, the legislative mandate brings to 58 the total positions lost from the College payroll.

"This specific cut in the area of college-community relations will devastate that important function," said President Joseph C. Burke. "The three positions which we must cut will eliminate half of the professional and secretarial staff in the office of college relations. The dedicated and talented personnel in that office have done a commendable job in improving internal communication on the campus and in furthering college-community relations. Functions they perform are essential to the mission of this College. We can hardly be held truly accountable for the ability to maintain free and open communication in light of a fifty per cent reduction in our college relations staff."

The professional staff assigned to college-community relations are an assistant to the president for college relations, the director of alumni relations, the director of communications, and the director of the news bureau. Two secretaries serve the office.

"Within the responsibilities of the professional staff in college relations are operation of the Plattsburgh College Foundation and Alumni Association, production of the College catalog and viewbook and important reports, coordination of all public and College information, organization of special events, and provision of editorial services for the campus-community," said Dr. Burke. "Many of those vital services will be cut or severely limited to meet this legislative mandate."

"Beyond the decimating cuts in college relations, it is difficult to understand the legislative reasoning in cutting our fuel budget," Dr. Burke added. "Despite instituting practices which have drastically reduced our use of fuel oil, we required additional State appropriations in the supplemental budget to meet our inflated fuel bill for this fiscal year. Given our North Country weather, it will be most difficult to make this additional savings of \$94,000."

LEGISLATURE REINSTATES CAMPUS SCHOOL BUDGET

Aides to State Senator Ronald Stafford of Peru reported last Friday that the Senate Finance Committee and the Assembly Ways and Means Committee were recommending reinstatement of the campus school budgets which Governor Carey had cut from SUNY appropriations in his Executive Budget. Passage of the State budget with a \$1.235 million allocation for campus schools restored by the Legislature is virtually assured, we are told. Restoration of those funds would provide SUNY's eight campus schools (including Plattsburgh) with a total operating budget equivalent to the budget for the current academic year. The move essentially reverses a decision by SUNY Trustees, announced February 25, to eliminate campus schools from the University within a year. "Senator Stafford was instrumental in having campus school funds restored to the State budget," said President Burke. "The College and the community owe him great thanks for his farsighted actions on this issue."

CARDS CONTINUE WIN STREAK IN DRIVE FOR NATIONAL CHAMPIONSHIP

A young flock of varsity basketball Cardinals emerged victorious from their underdog role again Tuesday night to defeat Rhode Island College by eleven points, at Rhode Island, and advance to the NCAA Division III National Championship semi-finals. The Cardinals leave today for Albright College in Reading, Pennsylvania, where they will take on Wittenberg University of Springfield, Ohio, in the National Championship semi-final on Friday evening. Consolation and championship games are scheduled Saturday at Albright. One hundred tickets for the two-night series at Albright will be sold on campus. Tickets are priced at \$7.00, which includes four games in two nights. Contact the office of health, physical education and recreation (564-3140) for further information.

Junior guard Ron Wright paced the Cardinals Tuesday evening with a season-high 39 points. Sophomore center Larry Parker, matched against seven-footer Carlo DeTomaso, controlled 24 of the Cardinals' 50 rebounds and scored eighteen points. Plattsburgh beat Rhode Island from the foul line Tuesday, scoring on 23 free throws to Rhode Island's eight in registering the 91-80 win. Tuesday's win ensures the Cardinals of a finish no lower than fourth in the nation among Division III colleges. Plattsburgh earned the Division III Eastern Regional Championship at Troy last weekend with wins over host RPI (68-65) and CCNY (83-81).

DR. OTIS NOYES, PROFESSOR EMERITUS, DIES IN MAINE

Dr. H. Otis Noyes, Sr., professor emeritus from the College at Plattsburgh, died March 12 at a nursing home in Yarmouth, Maine. He was 78 years old. Dr. Noyes retired from active service to the College in 1966. He had been a member of the faculty in language and literature for 39 years, and served as chairman of the English Department from 1934 through 1950. He is survived by his wife, Martha, a son, three daughters and a brother.

TRUSTEES VOTE TO INCREASE TUITION AND ROOM CHARGES

Responding to a State mandate to increase University revenues by \$25 million, the SUNY Trustees "reluctantly" enacted across-the-board increases in tuition and room charges during their meeting in New York City yesterday. Tuition for undergraduates from New York State will be increased by \$100 per year at the lower and upper divisions. Tuition for out-of-state undergraduates will be increased \$125 at the lower division, and \$200 at the upper division. Tuition for New York residents enrolled in graduate programs will be increased by \$200, and out-of-state students in graduate programs will have their tuition increased by \$300. Larger increases were established for graduate professional programs in law, optometry, pharmacy, medicine and dentistry.

Room rates in SUNY residence halls will be increased by \$100, across-the-board.

"Governor Carey's request for \$25 million in additional revenues from State University made this increase in tuition and room charges inevitable," said College President Joseph C. Burke. "The increased costs will have greatest effect on the undergraduates from low and middle income families. Forty-two per cent of our students come from families with net taxable incomes of less than \$8,000 per year, and another 34 per cent come from families with net taxable incomes under \$15,000 per year. Many of these young people have already mortgaged themselves to continue their educations, and for them the added costs of \$200 per year will be a heavy burden. Some who find that added burden impossible to bear may be forced from school. The Directors of the Plattsburgh College Foundation have pledged to redouble their efforts to raise private funds in the community to aid the neediest of students. Unfortunately, though they raised more than \$72,000 for scholarships last year, their average grant was \$238 per student, and that amount is only slightly greater than next year's increases."

SUNY tuition charges, effective September, will be:

	New York Resident	Out-of-state Residents
lower division	\$750	\$1,200
upper division	900	1,500
graduate (non-professional)	1,400	1,800

FACULTY BYLAW REVISION FAILS TO PASS, NEW VOTE REQUESTED

Proposed revisions to the Faculty Bylaws failed to gain the votes necessary for adoption during a poll conducted by the Faculty Senate's committee on membership and election. Though the revisions were approved by a majority of the faculty who voted (129 yes, 92 no, 2 abstentions), they did not receive the vote of the absolute majority of the total faculty, or the two-thirds majority of those casting ballots, which was necessary for acceptance. Of the 473 faculty eligible to vote on the Bylaw revisions, 223 cast ballots.

The committee on membership and elections announced Monday that the Bylaw revision will be taken to a second vote of the Faculty. The Bylaw revision will be presented as an amendment to the current Bylaws in a vote requested by a petition containing the signatures of more than ten per cent of the Voting Faculty. **President Joseph C. Burke has scheduled an informational meeting on the amendment for Tuesday (March 30) beginning at 4:10 p.m. in Room 200 of the Yokum Communications Lecture Hall.** Members of the Voting Faculty are urged to attend.

DANCE MARATHON BEGINS TOMORROW

Twenty-eight couples have registered for a 48-hour "Dance for Those Who Can't" Marathon which will begin tomorrow evening (March 26) at 8:00 in the Ballroom of the College Center. Proceeds from the marathon, generated by gate receipts, donations and sponsorship of the dancers, will be donated to the fight against muscular dystrophy. Twenty hours of live music are included in the agenda for the marathon, and eight bands have been contracted to perform. Marathon competitors will dance Friday from 8:00 p.m. until 1:00 a.m., Saturday from 7:00 a.m. until 1:00 a.m., and Sunday from 7:00 a.m. until 8:00 p.m. First place marathon winners (the couple that completes the marathon and generates the greatest sponsor support) will share a \$500 scholarship. Second place winners will share a \$250 bond or scholarship.

In addition to the dance contest, the marathon will incorporate free children's festivals on Saturday and Sunday mornings, flea market sales of arts and crafts on Saturday and Sunday afternoons, a pie-in-the face raffle with the awards to be thrown Sunday evening, and appearances by the muscular dystrophy poster child, Plattsburgh Mayor Roland St. Pierre, State Senator Ronald Stafford, and Assemblyman Andrew Ryan. Admission is free of charge to the children's festival. Admission to all other events (as listed in this week's calendar) will be \$.50 for S.A. members and \$.75 for the general public. Beer will be sold Friday night from 8:00 until 1:00, and Saturday and Sunday from 3:00 p.m. until the close of the day's events.

T.A.P. SURVIVES STATE BUDGET CUTS

Funds for the State's Tuition Assistance Program (TAP) have escaped a recommended ten per cent reduction and remained intact in the State Purposes Budget Bill passed by the Senate and Assembly on March 17. With the exception of funds for the operation of campus schools, which were restored by the Legislature, the reductions imposed on State University in the Governor's January Executive Budget remained essentially unchanged.

BASKETBALL CARDINALS FOURTH AMONG NATION'S SMALL COLLEGES

Plattsburgh's varsity basketball Cardinals lost to Wittenberg University and Augustana College in the semi-final and consolation rounds of the NCAA Division III national championships at Albright College last weekend to finish their season in fourth place among the nation's 271 small-college varsity teams. In the phenomenal second half of their season, the team of seven freshmen, two sophomores and one junior captured the State University Conference title, the NCAA Eastern Regional title, and advanced to the NCAA national semi-finals with a win over Northeastern Regional champion Rhode Island College. Since January 27, when the Cards' record slipped to 5-10 with an 81-58 loss to St. Lawrence University, the team has won eleven of fifteen games, including post-season contests.

Sophomore Larry Parker and junior Ronnie Wright are collecting All-Star honors from SUNYAC, ECAC and NCAA. Both were named to the starting five of the SUNYAC All-Star team (Wright led the conference in scoring and Parker led the conference in rebounding), and the ECAC named Parker to its first string All-Star team and gave honorable mention to Wright. Wright was named to the All-Tournament team at the NCAA national championships, and Parker was voted most valuable player in the NCAA Eastern Regionals.

LIBRARY ANNOUNCES STUDENT TUTORIAL SESSIONS

Students with common interests in learning about library research techniques and materials on related topics are invited to take advantage of student-initiated tutorial sessions at the College Library. Groups of three to seven persons are invited to contact Chester Bunnell or Michael Andrews (564-3181) to arrange for the special tutorial sessions. The tutorial service is offered in addition to the Library's general orientation sessions, which are scheduled each Wednesday afternoon at 4:00 in the Library conference room.

FINAL SPRING ADMISSIONS REPORT REFLECTS 11.6% INCREASE IN APPLICATIONS

Applications for admission during the spring semester increased 11.6 per cent in one year, according to the admissions office's final report on January 1976 admissions. Just over one-third of the 1,002 students who applied for January admission to the College were enrolled. Of the 368 students who enrolled in January, more than half (191) are transfer students, and 121 are classified as "readmits/reinstatements." Forty-five of the new students enrolled as freshmen. Among the persons who transferred to the College in January were 92 students from two-year colleges in the SUNY system, and 43 students from SUNY four-year colleges.

DANCE MARATHON NETS \$5,000-PLUS

Nineteen couples remained on the ballroom floor at the end of last weekend's dance marathon, and, in the final accounting, netted more than \$5,000 for the fight against muscular dystrophy. Charlie Bertolino and Beth Lillian collected more than \$1,000 in donations to win the first prize scholarship of \$500 from the Plattsburgh Alumni Association, but as Bertolino said when he accepted the award, "Every couple who danced here is a winner." The Plattsburgh Brewing Company presented a \$250 savings bond for the second place finishers, Roy and Jenny Fountain of the South End Teen Center, who collected more than \$750 in donations.

"We had a great deal of help and good advice that made this marathon a success," said coordinator Kelly Chabot. "I'd like to give special thanks to John Harrison and Joe Lombardoni and the rest of College Auxilliary Services." CAS donated more than \$580 in food and labor to the marathon cause.

REFERENDUM ON S.A. CONSTITUTIONAL AMENDMENTS SCHEDULED WEDNESDAY

Students will vote Wednesday (April 7) on two proposed amendments to the S.A. Constitution. The referendum will be conducted in the College Center between 8:00 a.m. and 8:00 p.m. Proposed are amendments which would: (1) provide a means for filling vacancies on the Student Senate by appointment of the President with approval of the Senate and Executive Council; and (2) create the Student Association office of Vice President for Academics.

Under the present Constitution, Senate vacancies remain unfilled until more than one-third of the Senators have left office (at which time a special election is mandated). Persons appointed to the Senate under the proposed amendment would require endorsements from 500 SA members, and ratification by two-thirds of the Senate and Executive Council.

A Vice President for Academics would be empowered, under the constitutional amendment, to coordinate all academic affairs and programs of the Student Association, and to act as liaison between the student body and the administration's academic policy makers.

B.S.Ed. IN SPECIAL EDUCATION TO BEGIN FALL '76

Final approval has been received for the College to offer a Bachelor of Science in Education sequence to train special education teachers. When the new program begins in the fall, Plattsburgh will become the only college in the State north of Albany to offer an undergraduate degree program for special education teachers. Twenty-five to thirty undergraduates are expected to enter the special education program at the beginning of each of the next three semesters, and enrollment of 75-90 students is expected when the bachelors' program is fully operational.

The new curriculum deals primarily with that segment of special education which provides help for mildly handicapped students, including the educable mentally retarded, the learning disabled and the socially or emotionally disturbed. Emphasized will be a non-categorical approach in which teachers will be equipped to provide special educational assistance to all mildly handicapped students, regardless of the reason for their handicap.

EVALUATION REPORT RECOMMENDS OPERATING EFFICIENCIES FOR C.A.S.

Four outside evaluators have recommended changes which they say may help College Auxiliary Services (CAS) at Plattsburgh to operate more effectively and achieve a "zero hassle factor" in providing service to students. Included among their findings were suggestions that CAS eliminate its scrip plan and initiate a 100% meal plan with unlimited seconds.

Basic to the findings of the evaluators was a "critical" need for the CAS Board of Directors to establish, as soon as possible, a formal set of policies, guidelines and goals for dining services and the balance of auxiliary services on campus. All constituencies on campus should participate in the formulation of those policies to provide clear operational guidelines for the CAS management team, said the evaluators.

College officials and the executive committee of CAS reviewed the evaluation report during a noon meeting Tuesday and said it would be considered in light of a pending, second report from an evaluation of CAS conducted late last week by ARA Slater consultants, a leading food service corporation. They pledged to keep students informed, through campus news media, of findings reported by the ARA Slater evaluation team, and of changes which may result after consideration of both evaluation reports. They plan to compare and draw from both evaluation reports in formalizing guidelines for CAS and in establishing meal plans and prices for the 1976-77 academic year.

PLATTSBURGH HOST TO STATE FORENSIC CHAMPIONSHIP SATURDAY

Between 80 and 100 student speakers from 12 colleges and universities are expected to compete in the New York State Individual Event Forensic Championships to be held on the Plattsburgh campus Friday and Saturday (April 9 and 10). At stake will be the State championships in eight individual speaking events, plus the State pentathlon championship and the State sweepstakes award (given annually to the team which amasses the most points in competitions sanctioned by the New York State Forensic Association).

Plattsburgh's forensic team controlled the State sweepstakes award for three consecutive years before it was won last season by St. John's. Plattsburgh holds a narrow, three-point lead in the sweepstakes competition going into this weekend's final tournament.

Friday and Saturday events will be staged in various rooms of the College Center, and admission is free of charge. Competition is scheduled from 2:00 until 6:00 p.m. Friday, and from 9:00 a.m. until 3:00 p.m. Saturday. The awards ceremony will begin at 6:00 p.m. Saturday in the Ballroom of the College Center. Individual events include extemporaneous speaking, poetry interpretation, prose interpretation, impromptu speaking, oratory, after-dinner speaking, rhetorical criticism, and dramatic pairs.

\$12,000 GRANT FUNDS BEHAVIORAL SCIENCE APPRENTICESHIPS

The National Science Foundation (NSF) has granted the College \$12,000 to fund six undergraduate research apprenticeships in the behavioral sciences this summer. Dr. Roy S. Malpass, associate professor of behavioral science, directs the program, and it will involve six students in full-time research from June 1 through August 6. NSF funds will provide stipends for the students and support costs for their research.

Each student apprentice will select a research project which parallels one of a number of ongoing faculty research programs, and faculty will work closely with the students on all aspects of the development of their studies. Students interested in learning more about the program are asked to contact Dr. Malpass in Room 106 of the Faculty Office Building (564-2265).

REFERENDUM POSTPONED

A referendum on two proposed amendments to the Student Association Constitution, originally scheduled yesterday, has been postponed until after the spring recess. The postponement will allow election of a new SA executive vice president to be conducted on the same ballot with the referendum. Election of a new executive vice president is necessitated by Richard Cowen's resignation from the position earlier this week.

OPEN HOUSE APRIL 24

Plattsburgh's annual Spring Open House is scheduled April 24, the Saturday following return from spring recess. The Open House schedule promises a full day of tours, counseling, demonstrations and information sessions for prospective students and their families and friends.

NINTH HUDSON SYMPOSIUM SATURDAY THROUGH MONDAY

Twenty-six scientists from nine countries will meet at the College's Valcour Educational Conference Center Saturday through Monday (April 10-12) to address the ninth George H. Hudson Symposium. This year's symposium, directed by Dr. Arnold Rheingold, associate professor of chemistry, is devoted to discussion of the chemistry of homoatomic rings and chains (in main group elements).

ROSENBERG FUND COMPETITION

College-wide competition for the use of the James N. Rosenberg Fund for 1976-77 will continue through May 7. The Fund provides approximately \$550 each year in support of a program which brings foreign scholars to campus for discussion of some topic or issue of international concern. This academic year the Fund supported a two-day conference on bilingualism.

Any group on campus may propose a program for Rosenberg Fund support, and a final decision to grant the Fund will be made by May 21. Further information may be obtained from the chairman of the Rosenberg Fund Committee, Dr. Daniel Socolow, in the Center for International Studies, Hawkins Hall 155.

PUBLIC ADMINISTRATION TRAINING PROGRAM BEGINS JULY 1

Permanent employees with at least one year's State service either in salary grades 9 through 23, or as non-teaching professionals, may apply for a year-long public administration training program which begins July 1. Participants will continue their regular jobs during the year, but will be released for agency training, rotation assignments and attendance at institutes. The application deadline is April 30. Further information is available at the personnel office.

CARDINAL MEMBERSHIP IN NEW HOCKEY ASSOCIATION PROPOSED

Pending approval by athletic boards on the campuses of eight other colleges and universities in New York State, Plattsburgh may become one of nine charter members in the New York Collegiate Hockey Association. The proposed new league would comprise teams from the University of Buffalo, Elmira College, Rochester Institute of Technology, and State University Colleges at Brockport, Geneseo, Oswego, Cortland, Potsdam and Plattsburgh. The league would be ranked in Division II of the Eastern College Athletic Conference (ECAC), and play may begin as soon as the 1976 season if league membership is approved early enough on the eight other campuses. President Joseph C. Burke has already approved the Intercollegiate Athletic Board's recommendation that Plattsburgh join the new NYCHA.

ON-CAMPUS ACCOMMODATIONS AVAILABLE FOR COMMENCEMENT

Graduating seniors are reminded that they may reserve accommodations on campus for their Spring Commencement guests. Rooms in designated campus residence halls will be available for check-in at noon Saturday, May 22. Nightly rates will be \$5.00 per person in double rooms, and \$9.00 per person in single rooms. Reservations may be made in the College housing office on the sixth floor of the Kehoe Administration Building.

OPENING DAY SEATS AVAILABLE AT YANKEE STADIUM

The Student Services Board is selling \$4.00 reserved seat tickets for the April 15 New York Yankee/Minnesota Twins game at the refurbished Yankee Stadium. Students, faculty and staff may purchase tickets at the main desk in the College Center.

SPRING RECESS APRIL 10-20

Spring recess begins officially at 5:00 p.m. Saturday when the College closes its residence halls. Residence halls open again at 9:00 a.m. Tuesday, April 20, and classes resume at 8:00 a.m. April 21.

OPEN HOUSE SATURDAY MORNING

Nearly 400 prospective students and their parents will visit the College Saturday for the annual spring open house. For students and their parents, the day's activities begin at 9:00 a.m. in Yokum Communications Lecture Hall with registration and welcoming remarks from College and community officials. Organized tours of the campus will begin at 10:00 a.m. and continue until 12:30, and community residents will also visit the College during those 2½ hours to view the exhibits and displays which will represent virtually all academic departments on campus.

The afternoon schedule of activities for invited guests includes luncheon in a College dining hall, and informational sessions covering academic and student affairs. Open House headquarters will be in Room 200 of the Yokum Communications Lecture Hall. Booklets describing the open house activities will be available at the headquarters, and guided tours of campus buildings will begin from that point.

FACULTY BYLAWS FAIL — AGAIN

A motion to adopt new Faculty Bylaws has failed for a second time to achieve the necessary votes for adoption. Proposed as amendments to the current Faculty Bylaws in the most recent balloting, the revised Bylaws needed a two-thirds affirmative vote for adoption. Of the 270 votes cast, 156 were in favor of the revision. That affirmative total was 25 votes short of the needed sum.

HEARST LAWYER TO SPEAK HERE APRIL 29

Albert Johnson, lawyer for James McCord, Captain Ernest Medina and, most recently, Patty Hearst, will describe "The Patty Hearst Trial and How It Affects You," beginning at 8:00 p.m., April 29 in the Large Auditorium of Hawkins Hall. Johnson's speech is sponsored by Speakers Forum. Tickets (available at the door) are \$.50 for Student Association members, and \$2.00 for the general public.

BICENTENNIAL RECITAL SUNDAY

The College music department, the New York State Music Teachers' Association and the Clinton County Piano Teachers' Association will sponsor a Bicentennial Recital Sunday (April 25) beginning at 2:00 p.m. in Hartman Theatre of the Myers Fine Arts Building. Admission will be free of charge. College music faculty Robert Frank, Yenoin Guibbory and Elizabeth Hayden will perform along with approximately 15 student musicians.

'THE AMERICAN SCENE' OPENS SUNDAY IN MYERS GALLERY

"The American Scene," an exhibition of original oil paintings by nineteenth and twentieth century American artists, will open Sunday with a reception from 3:00 - 5:00 p.m. in the Gallery of the Myers Fine Arts Building. The paintings will hang through the end of the semester, May 21. The exhibition was organized in conjunction with the Raydon Gallery in New York City and includes works by such artists as Charles Burchfield, Edward Gay and Maurice Prendergast. Admission to the Gallery, and to Sunday's reception, is free of charge and open to all.

HOUSING APPLICATION/CONTRACTS AVAILABLE

Students who wish to reside on campus during the 1976-77 academic year may apply for rooms now by using the application/contracts which are available at all residence hall offices and at the housing office (sixth floor of the Kehoe Administration Building).

CHILDREN'S CREATIVE DRAMATICS BEGIN MAY 1

The department of theatre will offer Saturday morning creative dramatics classes for children beginning May 1.

One class will be for children from seven to nine years old and will be taught by Susan Pearson, instructor of creative dramatics and children's theatre. Roberta Watermeier, instructor of creative dramatics, will teach the class for 10 to 12 year olds. The classes will meet for six Saturday morning sessions from 9:30 to 11:30 through June 5. Classes will meet in Room 129 (The Studio Theatre) of the Myers Fine Arts Building on the Plattsburgh campus. The cost of the entire six session workshop is \$15.00 per child. Contact Ms. Pearson (564-2284) for more information.

NATIONAL FIRM TO MANAGE FOOD SERVICE; MEAL PLANS ANNOUNCED

An improved food service program will cost the individual student approximately \$80 less next year as a result of action taken Monday by the Executive Committee of College Auxiliary Services. The Executive Committee approved two meal plans for 1976-77 and accepted College President Joseph C. Burke's recommendation to place all campus food service operations under managers provided by ARA/Slater Food Services Company. President Burke and the members of the Committee made their decisions on food service after reviewing the reports of two teams of outside evaluators who examined CAS and food service operations on campus earlier this year.

ARA/Slater, one of the largest food service corporations in the nation, operates dining services on many college campuses. At Plattsburgh, the managers from ARA/Slater will supervise the entire food service program, including food operations at the dining halls, College Center dining room and cafeteria, Valcour Educational Conference Center and Pub, as well as College catering services. A manager of food services and three assistants, employed by ARA/Slater, will relocate in Plattsburgh and manage College food service operations. The change in operations will occur in late May.

Resident students will have their choice between dining plans offering 19 meals per week or any 10 meals per week during the next academic year. Both plans will offer students savings compared to meal charges for the current year. The charge for the 19-meal per week plan will be \$670, or a reduction of \$80 from the current 19-meal plan. The 10-meal per week plan will cost \$585. Both plans will provide unlimited seconds. Meal tickets will permit students to take their meals at campus dining halls, or at the College Center cafeteria during regular dining hall hours.

In the coming year, ARA/Slater will provide 16 "monotony breakers" (such as "make your own sundae night") and eight "adventures in dining" or festive meals (international buffets, Italian nights, ethnic meals, etc.).

The scrip plan which has been available to students this year will be eliminated from meal plans for 1976-77. Both teams of outside evaluators faulted the scrip plan for raising the cost of all meal plans, failing to provide balanced meals, and forcing congestion, delays and inefficiencies in all food service facilities.

"The goal of food services will be to provide the highest quality meals at the lowest reasonable price," said Dr. Burke. "We plan to engage the management team from ARA/Slater on the stipulation that they will make dining in campus facilities the most pleasant occasion possible.

"Elimination of the scrip plan and availability of unlimited seconds should help us achieve our goals," the President added. "The dedicated corps of persons who staff the dining halls will no longer be forced to police food, but can assist in making dining more enjoyable."

INVESTIGATION OF HOOD HALL FIRE CONTINUES

College security officers and local police and firemen are continuing their investigation into a fire which caused severe damage to a suite on the sixth floor of Hood Hall Monday evening. Resident assistants John Ralbovsky and Doug Usher, who cleared the building and made early efforts to fight and control the blaze, are credited with preventing the fire from causing greater damage.

NEW FACULTY SENATE ORGANIZES; ELECTS DOH CHAIRMAN

Dr. Herman Doh, professor of English, was elected President of the Faculty Senate for 1976-77 at the Senate's organizational meeting Tuesday. Also elected to Senate office were Vice Chairman, Dr. Howard Miller, and Secretary, Janet Alexander. Elected to membership on the Senate's Executive Committee were Drs. Eloise Law and Dr. John Myers (history). Zoanne Burgess and Marilyn Morton were elected to the Standing Committee on Faculty Affairs.

Immediately following the organizational meeting, the new Senate conducted its first business meeting, and the first order of business was approval of a commendation for Dr. James Dawson, chairman of the Senate for the past two years. The Senate also passed resolutions which: 1) recommend that students not be allowed to pursue two baccalaureate degrees simultaneously; 2) suggest a uniform policy for cross-listing of courses in two or more disciplines; and 3) recommend establishment of minimum writing proficiencies for all undergraduates, with remedial help to be prescribed for students who fail to pass a standard writing examination.

ADMISSIONS OFFERS PEER RECRUITMENT PROGRAM

Interested students are invited to attend any of four informal meetings to discuss a new peer recruitment admissions program. Students who enlist in the program would visit their high school or community college alma maters to counsel persons interested in enrolling at the College. Call or visit the Admissions Office (564-2040) with any questions. The schedule of group meetings is:

Monday, May 3, 1976 — Harrington Hall Formal Lounge — 7-8:30 p.m.

Tuesday, May 4, 1976 — Whiteface Hall Formal Lounge — 7-8:30 p.m.

Wednesday, May 5, 1976 — Wilson Hall Formal Lounge — 7-8:30 p.m.

Thursday, May 6, 1976 — College Center Cardinal Lounge — 7-8:30 p.m.

KING SCULPTURE TO BE DEDICATED WEDNESDAY

Amitié, a 26-foot high weathering steel sculpture designed by William King, will be erected in the courtyard between Myers Fine Arts Building and the College Center this week, and dedicated Wednesday afternoon (May 5) at 3:45. King designed the sculpture during a residency on campus last fall. It depicts two figures clasping hands to symbolize close regional ties between U.S. and Canadian cultures. Steel for the project was donated by Bethlehem Steel Corporation, and fabricated by Vermont Structural Steel of Burlington. A crane from Murnane Construction Company will lift the sculpture into place.

OPEN HOUSE ATTRACTS 500

Saturday's Open House attracted approximately 500 persons to campus, the majority of whom were prospective students and their families. "Judging from the response of visitors who answered our Open House evaluation questionnaire, I would say the efforts of all the students, faculty and staff who participated were greatly appreciated by our guests," said Open House coordinator Don Garratt.

PSI EP BIKE-A-THON NETS \$15,000-PLUS

With some collections still outstanding, the brothers of Psi Epsilon Chi are confident that they exceeded their \$15,000 goal with last Saturday's Bike-a-Thon for the American Cancer Society. Since 1972, the fraternity's annual bicycle marathon has netted more than \$40,000 for the fight against cancer.

FEINBERG LIBRARY HOURS EXTENDED, MAY 2-15

Hours at the Feinberg Library have been extended until midnight, May 2-15, for the convenience of faculty and students. For that two-week period, the library will be open weekdays from 7:45 a.m. until midnight; Saturdays from 10:00 a.m. until midnight; and Sundays from 1:00 p.m. until midnight.

ERDC APPLICATIONS DUE BY MAY 18

Parents have until May 18 to apply for their children's admission to the Educational Research and Demonstration Center (Campus School) in the fall. Children aged four through thirteen (as of December 1, 1976) are eligible for admission. A May 19 lottery in the school cafeteria will determine students to be admitted in the fall.

SIGMA TAU THETA NURSING SOCIETY ESTABLISHED HERE

Ninety-six alumnae, faculty and students in Plattsburgh's nursing program will become charter members of the Gamma Delta chapter of Sigma Theta Tau when that national honorary society for nurses is officially established here Saturday. Plattsburgh nurses have sought recognition by Sigma Theta Tau since 1969. There are no other chapters of the society in State University.

NOEL SMITH TO ADDRESS OPEN MEETING OF AAUP

Members of the College community are invited to attend the final AAUP meeting of the academic year Wednesday (May 5) at 4:00 p.m. in the music room of the College Center. Noel Smith, who attended the annual meeting of The New York Conference of AAUP, will report on the topic: "New York State Higher Education: Toward an Uncertain Future."

DEADLINE FOR TITLE IX QUESTIONNAIRES TOMORROW

Students surveyed by the Title IX Advisory Committee are asked to return their questionnaires to the College Center by tomorrow (April 30).

State University College at Plattsburgh • May 6, 1976

BAUM, BEACH WIN CHANCELLOR'S AWARDS FOR EXCELLENCE IN TEACHING

Drs. Stuart J. Baum and Richard Beach from the Plattsburgh faculty are among 87 persons chosen from faculties at the State University's 64 campuses to receive Chancellor's Awards for Excellence in Teaching. Criteria for selection of the Excellence in Teaching Award winners are easy accessibility to students, constructive attempts to help students attain academic excellence, demonstrated mastery of teaching techniques, and scholarship in a field or discipline. Three separate campus committees (one undergraduate nominating committee, one faculty nominating committee, and one screening committee comprising students, faculty and administration) participated in the nomination of Plattsburgh faculty for the Excellence in Teaching Awards. The final decisions on award recipients are made by a joint University review committee. The Excellence in Teaching Award program was begun four years ago by Chancellor Ernest L. Boyer to recognize and promote superior teaching. The State University Research Foundation provides the funds for one-time cash awards of \$500 to each of the honorees.

Dr. Baum

Dr. Beach

Dr. Baum, an associate professor of chemistry, has been a member of the faculty since 1965. He teaches introductory courses in biochemistry and environmental chemistry, and the course in science and society. He is the author of three textbooks in chemistry, and has been invited recently to address several meetings sponsored by the American Chemical Society's Division of Chemical Education. Dr. Baum received research awards from the SUNY Research Foundation in 1966 and 1967.

Dr. Beach joined the Plattsburgh faculty in 1970 and is an assistant professor of geography. He was the first chairman of the College's department of geography (April 1974 - August 1975), and now directs the campus Center for the Study of Canada. Dr. Beach teaches courses on the cultural geography of South America and Canada, cartography, and multi-disciplinary courses on Canada and Latin America. He shared a summer research grant from the Donner Foundation in 1974, and was recipient of a Canadian Council Fellowship in 1969.

VICE CHANCELLOR TO ADDRESS COMMENCEMENT

Clifton Thorne, State University Vice Chancellor for University Affairs, will address the College's 86th annual Spring Commencement Exercises May 23 at the Field House. Dr. Thorne's speech is titled "The Challenge of Change." A veteran of 24 years experience as a teacher and administrator in the State University system, Dr. Thorne held positions as instructor, director of graduate studies, dean of men, director of freshmen studies, dean of the University College, dean of students and vice president for student affairs at the State University at Albany before he was appointed Vice Chancellor for University Affairs in the fall of 1971. He holds bachelors and masters degrees from the State University at Albany and a doctorate from Columbia University. Dr. Thorne will leave the University September 1 to become President of Blue Cross of Northeastern New York.

Nearly 1,000 candidates for bachelors and masters degrees and certificates of advanced study are expected to be eligible to participate in the commencement ceremony. Students who will have out-of-town visitors for commencement are reminded that they may reserve rooms for their guests at minimal cost in College residence halls. Contact the housing office for details.

PLATTSBURGH'S COLLEGE LIBRARY — ON SCHEDULE

Construction of Plattsburgh's new college library continues on schedule with completion scheduled in January 1977, and occupancy expected in August 1977. Most of the exterior work on the structure, as well as work on the grounds around it, has been completed. Workmen are now focusing their efforts on completion of the interior of the building. The period between completion of construction and occupancy of the building will be devoted to furnishing the new library and transferring resources from Feinberg Library.

LINKS TO VISIT CHINA IN JUNE; CHINA LECTURE AND FILM MAY 13

Dr. and Mrs. Eugene Link (Dr. Link is professor of history at the College) have been invited to visit the People's Republic of China in June as representatives of the US-China Peoples Friendship Association. The Links' trip will be subsidized, in part, by the United States and Chinese Friendship Associations. Dr. and Mrs. Link joined the British-Chinese Friendship Association during their stay in Hull, England, a year ago, and were instrumental in the formation of the North Country chapter of the US-China Peoples Friendship Association last November.

The local chapter of the US-China Peoples Friendship Association will sponsor a lecture by Margaret Whitman from the National Association, and a film by Shirley McLaine, next Thursday (May 13) at 7:00 p.m. in the Ballroom of the College Center. Anyone may attend.

S.A. REFERENDUM AND ELECTION MAY 13

Members of the Student Association will go to the polls Thursday (May 13) to elect an Executive Vice President of the S A and to express their opinions on two proposed amendments to the S A Constitution. Candidates for the Executive Vice Presidency are Fred Fudala, Tom Grant, and Chester Lee. The constitutional amendments (originally scheduled for a referendum vote on April 7) would: (1) provide means for filling vacancies on the Student Senate by appointment by the President with approval from the Senate and Executive Council; and (2) create the Student Association office of Vice President for Academics.

Three voting districts have been established for the election and referendum, according to student residences:

- Off-campus students and residents of Harrington and Macdonough Halls may vote in the College Center from 8:00 a.m. until 8:00 p.m. All students may vote at the College Center after 7:15 p.m., if they have not voted at the other polling places.
- Residents of Macomb, Kent, Adirondack, Banks and Whiteface Residence Halls may vote in Algonquin Dining Hall from 8:00 a.m. until 7:00 p.m.
- Residents of Mason, deFredenburg, Wilson, Hood and Moffitt Halls may vote in Clinton Dining Hall from 11:00 a.m. until 7:00 p.m.

SPRING WEEKEND FESTIVITIES BEGIN TONIGHT; ARTS AND CRAFTS FAIR SATURDAY

This Week's Calendar (see back of this issue) contains complete details of the many events scheduled on campus for Spring Weekend '76, including tonight's Wine and Cheese Party in the College Center Ballroom. Included are competitions in window painting, pie eating, frisbee throwing and brown water racing, as well as a beer blast, semi-formal, bluegrass festival, and a Sadie Hawkins Race, all sponsored by the Student Association. A highlight of the weekend for area residents, students and faculty alike will be the Saturday morning Arts and Crafts Fair in the Plaza between the Myers Fine Arts Building and the College Center. Eighty-three artisans and craftsmen from New York, Vermont and Canada have registered to display and sell their works at the fair, which begins at 10:00 a.m. and continues until dusk. The fair will be moved to the College Center Ballrooms if the weather is inclement.

NATIONAL METRIC WEEK, MAY 10-14

College President Joseph C. Burke has endorsed the following proclamation from the National Council of Teachers of Mathematics and declared next week National Metric Week on campus:

WHEREAS, The United States and Canada are now adopting the metric system of measurement; and

WHEREAS, Today's children, as adults, will live in a largely metric world; and

WHEREAS, It is the responsibility today of our schools to educate their students for the future; and

WHEREAS, Parents should have an awareness and an understanding of their schools' metric program;

Now, therefore, the National Council of Teachers of Mathematics declares that the week of 10-14 May shall be designated National Metric Week; and encourages each person to develop and maintain an awareness of the metric system; and admonishes all persons to use the metric system where applicable in all phases of life.

FOUR FACULTY POSITIONS REALLOCATED FOR 1976-77

After reviewing requests for assignment of new faculty lines to support academic programs in nine areas, and following consultation with the Faculty Senate's Faculty Affairs Committee, College officials have reallocated four positions. The reassigned positions were acquired without any involuntary reduction in other areas. Two of the positions were freed by taking teaching assistants out of faculty lines and paying them from temporary service accounts, and the other two positions were taken from contingency lines held in the Office of the Vice President for Academic Affairs.

The administrative science department and the environmental science program have each been assigned one new faculty line for 1976-77. Two other reallocated lines have been assigned as shared positions. The administrative science and computer science departments will share the services of a new faculty member with expertise in the application of computers to business. That faculty member will teach computer related courses in administrative science and economics, as well as in-depth computer science courses in business applications. The second shared position will be occupied by a faculty member with specialties in soils and water resources who will teach courses in environmental science and geography.

Though all vacant positions were considered during the reallocation process, no lines were reassigned from departments which had requested retention of their vacancies.

AUDIT REPORT SATISFACTORY TO COLLEGE OFFICIALS

President Joseph C. Burke has expressed general satisfaction with the findings from an audit of College operations during the period July 1, 1972, through March 31, 1975. Following a practice which is common when colleges and universities change presidents, the Plattsburgh administration requested the audit when Dr. Burke took office in the fall of 1974.

"Audits are meant to help state-supported institutions in their efforts to apply accountability to performance," said Dr. Burke. "The College at Plattsburgh welcomes sound recommendations for constructive change. We are pleased that the auditors, in the course of their year-long examination of our campus financial and operating practices, concluded that our policies and procedures are essentially adequate. We have reviewed and responded to all recommendations for possible improvement in our methods of operation. Indeed, many of the auditors' suggestions have been implemented, some even before the auditors left campus a year ago last month."

A copy of the audit report may be reviewed in the Office of College Relations on the eighth floor of the Kehoe Administration Building.

PRESIDENT SEEKS FACULTY, STAFF, STUDENT INPUT ON 1977-78 BUDGET

Guidelines and a target figure for preparation of the 1977-78 budget were received by College officials Monday. President Burke, the same day, asked for meetings with the chairman of the Faculty Senate and the presidents of the Student Association and the local chapters of UUP and CSEA, to discuss procedures for attempting to involve faculty, staff and student input in the preparation of the budget. The College's budget hearing is scheduled in Albany June 2, and the written budget must be submitted to the University Central Office by May 27. Dr. Burke informed the group that he realized the fourteen days between receipt of the guidelines and deadline for budget submission were insufficient to involve faculty and staff in the form of consultation which is desirable. He added that he wanted as much faculty and staff involvement as possible in formulation of the budget, within the time constraint.

PLATTSBURGH DROPS VARSITY BASEBALL AND GYMNASTICS

At its meeting last Thursday, the College's Intercollegiate Athletic Board (comprising students, faculty and administrators) voted to recommend discontinuation of varsity baseball and gymnastics, effective at the end of the current season. President Joseph C. Burke has accepted the recommendation.

RECORD NUMBER OF DEGREES TO BE AWARDED SUNDAY

More than 1,000 students are expected to be eligible to receive degrees Sunday during the College's 86th annual spring commencement exercises. The commencement ceremony begins at 1:30 p.m. at the CollegeFieldHouse with College President Joseph C. Burke presiding. Following the commencement address — "The Challenge of Change" — by Vice Chancellor for University Affairs Clifton Thorne, Dr. Burke will confer degrees upon candidates presented by Vice President for Academic Affairs Thomas Porter. College Council Chairman E. Yale Clarke will award diplomas.

Eligible to receive degrees during the ceremony will be 474 candidates for the Bachelor of Arts, 467 candidates for the Bachelor of Science, 38 candidates for the Master of Arts, 47 candidates for the Master of Science in Education, and 13 candidates for Certificates of Advanced Study. The 1976 graduating class is the largest in the history of the College.

The Plattsburgh Alumni Association will host a reception in the Field House ice arena for graduates and their parents and guests, immediately following the commencement exercise.

TWO COMMENCEMENT SIDELIGHTS — HOUSING FOR PARENTS AND SUBSTANTIAL PROGRAM SAVINGS

With Plattsburgh-area hotels and motels booked to the limit by participants in the New York State Women's Bowling Tournament, residence hall accommodations have been made available for parents and guests of graduating students. The response has been overwhelming. When *Weekly* went to press yesterday morning, with half the day still remaining before the deadline for reserving residence hall rooms, more than 525 persons had made reservations for the weekend. The visitors will be housed in deFredenburg, Moffitt and Hood Halls, and may check in beginning at noon Saturday. With only 24 hours to prepare those residence halls for occupancy after students leave campus Friday, maintenance persons obviously have their work cut out for them. Students leaving the three residence halls will make the maintenance task much less difficult if they will take extra care in leaving their rooms in the neatest possible condition.

The program of events for Sunday's commencement has been produced at considerable savings over previous years, thanks to extra effort from the publications office. By setting type for the program on campus, redesigning the program format and presenting the program copy to the printer camera ready, the publications office has produced the program at a savings of nearly \$600.

TWENTY-SIX UNDERGRADUATES NAMED TO WHO'S WHO

Twenty-six Plattsburgh undergraduates have been named to the 1976 edition of *Who's Who Among Students in American Colleges and Universities*. They are: James Campbell, Sue Carr, Michael Costelloe, Linda Crawford, Thomas Crosby, Martha Crowell, Gerald Ducharme, Fred Fudala, David Hennessy, Jan Hornbeck, Dale Johnson, Paul Kellerhouse, Margaret Keysor, Henry Leavitt, Salvatore Lupo, Kathy Madonna, Edward Matthews, Mike Murray, Glenn Rispaud, Kathleen Rivers, Stephen Roberts, Barbara Lee Sims, Ann Sullivan, Steve Trombley, Bonnie Williams, Nancy Zylowski.

ADMISSIONS AT 80% OF GOAL FOR PAID DEPOSITS

As of Wednesday, the College had received deposits from 1,324 persons who have been accepted for admission in September, or 80.2 per cent of the goal of 1,650 new students. Last year at this time admissions deposits had been received from persons representing 73 per cent of the goal for new student enrollment. Included among persons who have paid deposits this year are 753 students who will enroll as freshmen, 523 who will enroll as transfers, and 48 who have been readmitted or who will attend college as foreign students or visiting students.

S.A. REFERENDUM AND ELECTION

Chester Lee, a junior mass media major from Huntington, was elected Executive Vice President of the Student Association in last week's balloting. Lee received 255 of the 611 votes cast in the election to defeat Tom Grant and Fred Fudala. In the same election, student voters approved amendments to the S.A. Constitution which (1) provide means for filling vacancies on the Student Senate by appointment by the President with approval of the Senate and Executive Council, and (2) create the Student Association office of Vice President for Academics.

TWO ADMINISTRATORS TO JOIN IOWA UNIVERSITIES

Dr. Dale Nitzschke, associate dean of the Faculty of Professional and General Studies, and Dr. Jon Sontag, chairman of the art department, will leave the College at Plattsburgh to accept administrative posts at universities in Iowa. Dr. Nitzschke will become dean of the 236 faculty in the College of Education at the University of Northern Iowa in Cedar Falls. Dr. Sontag will become chairman of the 39 faculty in the Department of Applied Art at Iowa State University in Ames.

STATE EDUCATION DEPT. GRANT TO FUND SPECIAL EDUCATION CONFERENCE

Representatives of Competency Based Teacher Education (CBTE) constortia in special education from 44 teacher training institutions around New York State will attend a mid-August conference to be sponsored in Plattsburgh by the State Education Department in cooperation with the College. Three-member teams from each of the institutions will be at the College August 11-13 to address the question of assessing competencies in special education CBTE programs. The conference, which will benefit from the presence of qualified consultants and resource persons from around the country, is financed by a grant of more than \$18,000 from the State Education Department.

EIGHT EDUCATION FACULTY COMPLETING TRAINING IN CAREER EDUCATION

Eight members of the College's faculty in education will complete four months of training in career education next week. With a \$6,000 grant from the State Education Department, career education specialists Eileen Wardner and Dr. Kenneth Hoeltzel have been training an eight-member team comprising Florence Callahan, Lendall Haskell, Venita Hubbard, Dr. Edward Keeler, Anna Nardelli, Dr. Robert Miller, Dr. Mary Anne Poston, and Dr. Georgena Van Strat. The team has been trained to infuse career education principles into the College's Block Program for pre-service teacher training.

Dr. Hoeltzel and Mrs. Wardner have conducted career education workshops for North Country teachers during the College's past three summer sessions. The State Education Department has supported the career education movement with grants to the College and mini-grants to participating area schools totaling nearly \$100,000. Dr. Hoeltzel, Mrs. Wardner and five members of Plattsburgh's team were facilitators and discussion leaders for an early May conference on career education which was attended by faculty from 70 colleges throughout the State.

S.A. INCREASES ATHLETIC ADMISSION CHARGES

The Student Senate has voted to increase admission charges for varsity football, basketball and hockey in an effort to supplement the operating budget of the athletic program. Effective next season, non-Plattsburgh students will pay \$1.00 to attend football, basketball and hockey contests. Adult admission prices have been increased to \$1.50 for football and basketball and \$2.00 for hockey. The bill does not raise admission prices charged to Plattsburgh State students.

SUMMER ARTS CELEBRATION PROMISES SIX WEEKS OF ENTERTAINMENT

A six-week long Summer Arts Celebration promises summer session staff and students and North Country residents and visitors the opportunity to enjoy summer theatre, musical performances and art exhibitions. Summer Theatre returns to Plattsburgh June 25 when the curtain goes up on Mary Chase's whimsical comedy *Harvey*. Productions of Thornton Wilder's *Our Town* and Tennessee Williams' *A Streetcar Named Desire* are also planned. Musical performances will include two appearances by the Plattsburgh Summer Orchestra, conducted by Dr. Yenoim Guibbory, a jazz concert by The Citizen's Band, concerts on piano performed by Sharon Miranda and Elizabeth Hayden. Two exhibitions — "The Way It Was in Clinton County: 1880-1920" and "Past•Fibers•Present" — will hang in the Myers Fine Arts Building from June 25 through August 3. Exhibitions may be viewed free of charge. Tickets for theatrical and musical performances may be purchased individually or by season subscription. Call 564-2180 or 2181 for ticket information and reservations.

OLYMPIC COMMITTEE SEEKS RESPONSIBLE DRIVERS

Malcolm Collin, director of the physical plant, is accepting applications from persons who may wish to serve as drivers for the members of the U.S. Olympic Team during their stay at the College in July. Needed are drivers for Olympic Committee members who will be on campus July 5 through 16, and drivers for the caravans which will deliver team members from the College to the Montreal Olympic complex July 8, 10, and 14. Drivers will be paid by the Olympic Committee.
